

# Declaration of Independence

*We are an MGA/AGA that is proud to publicly declare itself  
'Independence Friendly'.*

All brokers who hold a contract with this agency can do so with the knowledge that it supports an independent broker's right to hold contracts with any other MGA/AGA that he/she deems appropriate, and to place life insurance business through the MGA/AGA of his/her choosing.

By signing this document and declaring itself 'Independence Friendly', this MGA/AGA asserts that it:

- Offers an environment in which independent brokers can source the products and services most appropriate for his/her clients free from undue pressure or influence.
- Allows its contracted brokers to take Errors & Omissions coverage through the supplier of his/her choosing.
- Does not now have in place, nor does it contemplate introducing in future, a policy which would restrict the independence of brokers who place business through it.

We further certify that, should a 'captive broker' policy be contemplated in future, this MGA/AGA will provide its brokers with a minimum of six (6) months notice of this intention and vows not to impede any broker who then chooses to move his/her business elsewhere as a result of such a policy.
